Volume 6, Number 5, September 2015, Page(s): 1145-1156

After careful and considered review of the content and authorship of this paper by a duly constituted expert committee, the above paper has been found to be in violation of Academy Publication's publication principles.

The first author (Hussein Zamani) has taken full responsibility and this violation was done without the knowledge of the second author (Pyeaam Abbasi). This paper contains significant portions of original text from the paper cited below. The original text was reworded/paraphrased without attribution (including appropriate references to the original author and/or paper title) and without permission.

Due to the nature of this violation, reasonable effort should be made to remove all past references to this paper, and future references should be made to the following articles:
