

Notice of Violation of Academy Publication Publication Principles

“The Influence of Affective Factors and Cognitive Engagement on Students’ English Proficiency”

by Chen Yuan

Journal of Language Teaching and Research

Volume 11, Number 4, July 2020, Page(s): 645-651

The above paper has been found to be in violation of Academy Publication’s publication principles. The author (Chen Yuan) has taken full responsibility. This paper contains significant portions of original text from Bo Yang’s unfinished PhD dissertation draft. The original text was copied without attribution (including appropriate references to the original authors and/or paper title) and without permission.

Due to the nature of this violation, reasonable effort should be made to remove all past references to this paper.
